CONTEST DETAILS

The selected DJs will compete in one round only at Hammerheads on Thursday August 16, 2007. Playing order will be randomly selected at the beginning of the event. Each DJ will have 10 minutes to show their skills. They will be judged based on the following:-

Music Selection – DJs should play up “Different Beats. One vibe.” theme of Green Synergy by selecting an eclectic range of music blending different genres of old, new and familiar music = 25 points

Cross-over mixing – DJ demonstrates a successful continuous set, lining up beats, bars and melodies to gain full marks = 20 points

Technique – DJ’s ability to scratch and include other tricks in the set = 20 points

Crowd Response – DJ’s ability to get the best reaction out of the crowd through energy, dance and applause = 15 points

On-mic response – DJ demonstrates the effective use of the microphone to interact with the crowd = 20 points

There is no profanity allowed in the Green Synergy DJ competition – either by way of spoken word or through song. This will result in the offending DJ’s automatic disqualification.

Competing DJs will be notified in a timely manner at least 10 days prior to the competition.
